EMPLOYMENT HISTORY

Handler, FedEx Express

Apr 2020 — Present

Served as a Handler at FedEx Express, focusing on the efficient processing of packages to meet stringent delivery schedules. This role entails meticulous attention to detail and compliance with safety regulations while managing heavy and fragile items. Collaboration with team members is vital to ensure that operations run smoothly and efficiently, contributing to overall productivity in a fast-paced environment.

- Executed the sorting, scanning, and loading of packages with precision to facilitate timely deliveries.
- Maintained a safe working environment by adhering to established safety protocols and procedures.
- Demonstrated strong teamwork skills, effectively communicating with colleagues to resolve operational challenges.
- Serving as Safety Representative since January 2021, playing a key role in promoting and maintaining a strong safety-first culture across daily operations.
